WELCOME LETTER FROM

DR. RICHARD MILLER

Dear Students:

Welcome to Bridges Christian College! We are an emerging institution designed specifically for students. Institutions, like people, should always be learning and moving into their futures. Since its inception, Bridges Christian College (BCC) has been doing just that. “Our goal is to provide students with an innovative and debt-free education and to develop students with academic agility.”

BCC was born out of the necessity to offer a robust biblical education at a time when higher education has become financially out of reach for many. It was also created to produce graduates who are innovative and unafraid to face new ministry challenges largely overlooked by aging institutions. The forces that now face ministry graduates are far different than those faced by my classmates and me in the 1980’s after graduating from Southeastern University.

BCC affords you the opportunity to graduate debt free. With this financial freedom, you will be able to respond to God’s direction with much greater speed. Whether you want to earn a doctorate or hit the mission field, BCC prepares you to fulfill God’s dream residing in you.

The BCC experience will shape the way you think and help you participate with God in creating a great and effective future. We seek to create an environment of intense and comprehensive intellectual and spiritual growth.

We promise to:

- lead students in experiencing the orthodox and transcendent God in daily life;
- lead individual students into the willful immersion into God and His plans;
- readily acknowledge that intellectual development is not an end in itself, but a means to cultivate eternity in the human heart;

BCC Catalog 2022-23

- create an intentional spiritual reality that brings life transformation and spiritual formation;
- and create an attitude of sacredness in the heart of each student.

Going to college is not about purchasing intellectual knowledge. BCC challenges you to think about where your education will take you and to whom you are entrusting your intellectual development. BCC offers every student an opportunity to grow spiritually and intellectually.

Bridges Christian College knows and articulates exactly where we are taking you. We are not just selling thoughts from the past but are believing you will be immersed in God's thoughts and desires for your future ministries.

I'll look for you this year, Rev. Richard Miller, Ph.D.

President of Bridges Christian College

GENERAL INFORMATION

History

Bridges Christian College was founded in 2011 by Dr. Mike Rakes in Winston-Salem, NC, and graduated its first class there in 2012. At the end of 2015, the school was handed over to Dr. Richard Miller as President, Rev. Anthony Freeman as Provost, and Rev. Justus Freeman as Vice President for Academic Affairs. The school moved its main campus to New Orleans, LA, restarted, and completely restructured by developing a new vision, new mission, new academic programs, new board of directors, new administration, and new faculty.

Under Dr. Miller's leadership, BCC has continued to establish classical Pentecostal doctrines and values grounded in God's Word, and since the school's

restart in New Orleans, it has grown in influence and students, providing cutting-edge theological education that is completely debt-free. BCC is pleased to report that since 2016, 100% of all graduates are debt-free thanks to this educational model!

Under the current leadership, the school achieved applicant status with the Association for Biblical Higher Education in February 2017, and candidacy status in February 2021.

BCC is committed to providing Pentecostal, quality, theological education that is debt-free!

Administrative Leadership

The administrative leadership of Bridges Christian College (BCC) includes the President, Board of Directors, and the college Executive Administrative Committee. The Board of Directors sets the policies of the college, selects the college administrative officers, and provides for financial support. The Executive Administrative Committee and Faculty Committee set standards and policies relative to academic and student life practices. College business practices are the responsibility of the chief financial officer.

Mission of the College

“Bridges Christian College exists to cultivate the hearts and minds of Spirit-empowered leaders for ministry where life and God connect.”

Debt-Free Model

Thanks to the Ecclesiastical Scholarship Fund, every student graduates debt-free! The out-of-pocket cost to each student is only \$200 per trimester thanks to scholarships and grants. BCC is “Bridging online and debt-free theological education to your calling!”

Educational Philosophy

Bridges Christian College exists to cultivate the hearts and minds of Spirit-empowered leaders for ministry where life and God connect. Within

scripture, the concept of discipleship and teaching has a rich Biblical provenance. At the very core of the matter, the ministry of teaching can be seen as one of the primary roles of the ministry. Ephesians 4:11 describes God's actions with respect to the five-fold ministry of the church as a gift to the church. The next verse also defines the purpose and intent of this gift as being: “to equip the saints for the work of ministry, for building up the body of Christ” (Ephesians 4:12). We, therefore, view our primary purpose as educators as fulfilling and facilitating God's provision for the church corporately through the gift of the role of the teacher to equip and build up the Body of Christ with the ultimate end goal being the fulfillment of the great commission by the student population of Bridges Christian College.

We further maintain that the complex nature of the Gospel dictates the need for an equally diverse means of teaching. This diversity in teaching aligns with our mission of cultivating the hearts and minds of Spirit-empowered leaders. The ministries within scripture show instruction through both effective communication and experiential learning. Bridges Christian College maintains the need for our students to learn through diverse instructional strategies, close relationships with instructors who are passionate about discipleship, and experiential learning using multicultural outreaches and in-context practicums specific to the unique divine calling of the student.

Bridges Christian College believes that the New Testament dictates a clear classical Pentecostal distinction for vocational, bi-vocational, and lay ministry levels. This aligns directly with our mission of cultivating the hearts and minds of Spirit-empowered leaders. The Pentecostal distinction is such that it is evident in all aspects and demonstrations of ministry described in the New Testament after the events in Acts 2. Because of this, we maintain unapologetically, unreservedly, and without compromise a traditional, biblical, and classical Pentecostal viewpoint in all coursework, curriculum, and instruction that embraces the fullness of the movement of the Holy Spirit in the current modern ministry context. Because we operate from a traditional and Biblical perspective of Pentecostalism, we define our perspective of classical Pentecostalism by the experience of the subsequent work of grace that is the Baptism in the Holy Spirit as evidenced by the sign of speaking in tongues as the Spirit of God gives

utterance. The purpose of Pentecostal gifts (Acts 2; 1 Corinthians 12; 14) given by the directive of Christ surrounding the fulfillment of the Great Commission (Acts 1:8; 2:1) drives our purpose in ministry and the mission of our students as they fulfill their divine calling.

We maintain that the Bible is absolute, complete, and total in its coverage. The Bible is the all-sufficient guide for faith and daily living and answers every issue faced by any society past, present, and future. This view of the inerrancy and infallibility of scripture serves as the foundation of our mission to cultivate the hearts and minds of Spirit-empowered leaders. As such, we believe that the Holy Scriptures offer solutions to every dynamic social issue that arises. Because of this, we maintain the following perspectives in our instruction and discipleship of future Christian leaders:

- We recognize the commandment of scripture love and respect all people. Our courses emphasize the need for our students to reach all people groups regardless of age, gender, or viewpoint. We also, however, simultaneously recognize and maintain Christ's commandments on loving God by keeping his commandments and statutes. Therefore, we maintain the need to love and respect without tolerating, affirming, or compromising on clearly defined issues by a traditional and literal interpretation of the Bible.
- Bridges Christian College seeks to help students have a Biblical and Spirit-led understanding of cross-cultural ministry in our increasingly diverse world. We recognize that racism and hatred are sins that are matters of the heart. These are directly in conflict with the totality of God's word and the love of God's heart. Christ demonstrated this robustly through his ministry, and this was demonstrated in the Pentecostal context as all who were present were Baptized in the Holy Spirit in Acts 2 regardless of race or gender. However, we choose to define the notion of equality through the aspect of the Biblical perspective that all human beings are created in God's image (Genesis 1:27) and all believers are purchased by the blood of Jesus through His work on the Cross (Revelation 7:9). Scripture clearly establishes that believers should love their neighbors (Matthew 22:39). We, therefore, reject the need to pollute

and diminish the robust biblical definition of equality through definitions established by cultural trends, popular ideas, or societal initiatives and movements.

- Bridges Christian College seeks to cultivate students' relational understanding of the deepest needs of humanity. We recognize the need for compassion, grace, and the meeting of needs and believe this to be the fulfillment of being the hands and feet of Jesus. We maintain a need to train our students to do this through both the theory presented in class and the hands-on application through college outreaches and individual practicums. We maintain the need to approach cultural movements and philosophies from a traditional, conservative, and biblical worldview to preserve the integrity of the application of scripture to modern contexts.
- We believe that Christians and ministers of the Gospel should actively advocate for God's will and heart for all people. While we are sympathetic to the concerns of the hearts of those in our communities, we reject the need to ally ourselves with groups that promote hatred for one's enemies rather than love (Matthew 5:43-48), division rather than Christ-like unity (John 17), offense rather than forgiveness (Matthew 18:21-22), hostility rather than peacemaking (James 3:18), and dishonor rather than a display of the fruit of the Spirit (Galatians 5:13-26).

In conclusion, Bridges Christian College passionately cultivates hearts, minds, and Spirit-empowered leaders for ministry. We champion the preparation and equipping of Spirit-filled and empowered students to serve as leaders in practical church ministry based on both biblical and contemporary principles and practices. We proudly operate from a position of biblical basis, Pentecostal distinction, and biblically defined traditional values. This position permeates and defines our collective worldview and is woven into the tapestry of all curriculum and instruction. Our strongest desire is to cultivate the hearts and minds of Spirit-empowered leaders for ministry where life and God connect.

Doctrinal Statement

Bridges Christian College holds to and is committed to the Doctrinal Statement of the Association of Biblical Higher Education. Other affiliations include various groups but not limited to The Assemblies of God. These various partnerships are to help populate the body of Christ with unapologetically "Spirit Driven" leaders with a passion for the lost. Bridges Christian College holds tightly to the following doctrines.

WE BELIEVE...

1. The Scriptures are inspired by God and declare His design and plan for humanity.
2. There is only one true God revealed in three persons...Father, Son, and Holy

Spirit (commonly known as the Trinity).

3. The deity of the Lord Jesus Christ. The Lord Jesus Christ is the eternal Son of God.

4. Though originally good, man willingly fell to sin – ushering evil and death, both physical and spiritual, into the world.

5. Every person can have restored fellowship with God through ‘Salvation’ (trusting Christ, through faith and repentance, to be our personal Savior).

6. We practice two ordinances:

- (1) Water Baptism by Immersion after repenting of one’s sins and receiving Christ’s gift of salvation, and
- (2) Holy Communion (the Lord’s Supper) as a symbolic remembrance of Christ’s suffering and death for our salvation.

7. The Baptism in the Holy Spirit is a special experience following salvation that empowers believers for witnessing and effective service, just as it did in New Testament times.

8. The initial physical evidence of the Baptism in the Holy Spirit is ‘Speaking in Tongues,’ as experienced on the Day of Pentecost and referenced throughout Acts and the Epistles.

9. Sanctification initially occurs at salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christlike.

10. The Church has a Mission to seek and save all who are lost in sin. We believe ‘the Church’ is the Body of Christ and consists of the people who, throughout time, have accepted God’s offer of redemption (regardless of religious denomination) through the sacrificial death of His son Jesus Christ.

11. There is a divinely called and scripturally ordained leadership ministry that serves the Church. The Bible teaches that each of us under leadership must commit ourselves to reach others for Christ, to worship Him with other believers,

to build up or edify the body of believers – the Church and to Meet human need with ministries of love and compassion.

12. Divine healing of the sick is a privilege for Christians today and is provided for in Christ's atonement (His sacrificial death on the cross for our sins).

13. There is a blessed hope — When Jesus Raptures His Church Prior to His Return to Earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever.

14. There will be a millennial reign of Christ when Jesus returns with His saints at His second coming and begins His benevolent rule over earth for 1,000 years. This millennial reign will bring the salvation of national Israel and the establishment of universal peace.

15. A final judgment will take place for those who have rejected Christ. They will be judged for their sin and consigned to eternal punishment in a punishing lake of fire.

16. Believers look forward to the perfect new heavens and a new earth that Christ is preparing for all people, of all time, who have accepted Him. We will live and dwell with Him there forever following His millennial reign on Earth. 'And so shall we forever be with the Lord.

A more detailed description of each doctrine is found in the appendix.

STUDENT LIFE

Community Life Objective

Bridges Christian College seeks to provide leadership in an environment in which students may maximize their spiritual, social, intellectual, and physical potential.

Principles of Community and Residence Life

Bridges Christian College is more than just a college. It is a community of believers seeking excellence in academics and personal and spiritual development. A commitment to join this community obligates each believer to a code of Scriptural and civilized community behavior. Members of the Bridges Christian College student body are encouraged and expected to reflect Christian values such as honesty, integrity, respect for others, and compassion. The college desires that a student will exercise prudent judgment in his or her decisions, thoughts, actions, and lifestyle. Additionally, students should be aware of how their actions reflect on the integrity of their Christian testimony and Bridges Christian College.

Since students have voluntarily chosen to become a part of Bridges Christian College, violations of the policies and standards of the college will subject the student to the disciplinary processes of the college. The college reserves the right to suspend or dismiss any student whose conduct is in violation of its policies and standards. Upon acceptance to the college, the student concedes to Bridges Christian College the right to take such action. Recognizing that it is impossible to set standards upon which each individual will agree, basic standards have been established to govern the Bridges Christian College community. The following criteria helped form the basis from which policies and standards were developed to guide the Bridges Christian College community. See the Student Handbook for a comprehensive description of policies and standards for student conduct. In accordance with this policy, all students must sign the student life agreement form located in the Student Life Handbook.

Governing Principles for Student Life

Biblical Standards

Regulations based on direct commands of Scripture. Such standards represent an application of the revealed will of God.

Applied Standards

Regulations based on biblical principles that relate directly to the behavior involved. These standards contribute to a biblical lifestyle and originate from applying Scripture to contemporary issues.

Community Standards

Regulations not based directly on Scriptural commands or principles but necessary for community living. Such standards represent an application of principles to the particular program of the school and are necessary for the harmony and efficiency of the student body.

Biblical Principles

Bridges Christian College is committed to Biblical principles for guidance in matters of Christian character, behavior, lifestyle, and attitude.

Personal Responsibility for Christian Living

As Christians, we are each personally responsible to study and obey the Scriptures, to cultivate a heart attitude which allows for the guidance of the indwelling Holy Spirit, and to give serious consideration to the counsel of the people of God. 1 Peter 2:2; John 16:13-15; Proverbs 15:22.

Spiritual Formation

Chapel

Corporate chapel services are the spiritual center of the Bridges Christian College community and serve as a time of worship. Chapel attendance is required for all students. Online students must download and watch the chapel services.

Graduation Requirements

Students must complete 18 semester hours for the certificate of ministry, 63 semester hours for the Associate of Arts and 129 semester hours for the Bachelor of Arts with a grade-point average of 2.0 including 6 trimesters of satisfactory student ministry. A minimum of thirty hours must be completed in residence or through BCC's online program, fifteen of which must be in the final year. Degree requirements are based on the catalog in effect at the time of graduation or within six years of the student's first enrollment.

In order to graduate, the student must do the following:

1. A degree-seeking candidate must file a written application with the Registrar Office in the winter trimester of the expected graduation year. A student not approved for graduation must resubmit an application at the appropriate time.
 - a. The due dates for the graduation application are as follows: (1) August 31st for a fall/winter graduation, and (2) January 31st for a spring (May) graduation.
2. The student must submit a Digital portfolio which details his/her BCC academic experiences. The digital Portfolio must demonstrate that the student has achieved the Academic Learning Outcomes. The Digital portfolio will provide sample assignments, projects, student ministry experiences, etc. which detail the student's academic successes.
3. The student will take a Standardized Bible Knowledge test. This test does not impact the student's ability to graduate but assesses the student's academic biblical knowledge achieved as a BCC student.
4. The student must have a zero balance on their student account.
5. The student must complete all academic and student ministry requirements, have on record exit exam scores, and a satisfactory

department record from the Student Life office.

Finally, all students must be approved by the faculty to graduate.

Graduation with Honors

A candidate for the Bachelor of Arts degree will be graduated with honors as follows:

- Summa cum laude: cumulative grade point average of 3.90-4.00
- Magna cum laude: cumulative grade point average of 3.75-3.89
- Cum laude: cumulative grade point average of 3.50-3.74

Transfer students must complete 64 semester hours at BCC to be eligible for honors.

Additional Academic Information

Registration

Students accepted by the college may pre-register or register for classes at the appropriate times. See the academic calendar in the college catalog for deadlines. The normal course load per trimester is 12 to 15 credit hours. Beyond that, the student must have the permission of his/her academic advisor or the Director of Admissions. A full-time student load as per government classification is 9 or more credit hours per trimester. Classes with less than 10 registered students may be cancelled.

While it is the student's responsibility to meet course graduation requirements, faculty advisors are assigned to students to assist the student in his/her academic life and program.

Add/Drop Course Policy

The last day to add a course is the last day for late registration. See the academic calendar. To avoid loss of tuition paid, a student must drop a course prior to the first class. After the first class, tuition refunds are calculated as per refund policy. To avoid completion ratio academic penalty (quantitative academic progress) a student must drop a course prior to the third week of class. To avoid GPA academic penalty (qualitative academic progress) a student must voluntarily withdraw from a course prior to a final exam.

Academic Year

An academic year consists of three trimesters. Each trimester is 11 weeks with 37.5 hours of instruction and student interaction for 3 semester credit hours. See the academic calendar for the parameters of each trimester within an academic year. Because the college is on the trimester system, students have the option to complete degree requirements within three years.

Class Attendance

Grading will be based upon completion of coursework, exams, and class attendance. Students who miss more than 25% of a class will automatically receive an “F” for the class. However, if a student has missed more than 25% of the class because of extenuating circumstances such as medical or family emergency, a student must submit an absentee form secured from the Office of Admissions and must be filed with the teacher within one week of return to class. The student will be given additional Directed Research to make up the class instruction missed beyond the 25% level. The Directed Research may require an additional fee.

Bridges Christian College provides two options regarding classroom delivery: Live Web Presentation, Plus Threaded Discussion, and Recorded Presentation, Plus Threaded Discussion. Both delivery methods must require the same amount of time. At the beginning of each trimester, students must designate the delivery method for which they will participate. The instructor of record, for each course, will be provided a list of students enrolled in each delivery method. Should a student decide to change his delivery method, a change of intent form must be completed and submitted to the course instructor for approval by email. Once the instructor’s approval has been obtained the instructor must submit the form to the Vice President of Academic Affairs by email. The VPAA will not entertain a student’s decision to change the delivery method without the instructor’s email.

Students who need to miss a class/ required activity due to work/other responsibilities must let their instructor or activity leader know of the planned absence at least 12 hours before the class. Students who do not inform the instructor or activity leader will be considered absent.

Students who randomly miss a live class will be counted absent if the instructor/activity leader is not notified of a student’s decision to take the web

forum class, at least one hour before the scheduled class. An excused absence will be given at the discretion of the instructor/activity leader.

Undergraduate Degree Requirements

The Certificate of Ministry requires 18 academic credits and 3 units of student ministry.

The Associate of Arts in Biblical Studies (A.A.) requires 63 academic credits, which includes, 6 units of student ministry, a 6 academic credit internship, and a digital portfolio.

The Bachelor of Arts in Biblical Studies (B.A.) requires 129 academic credits, which includes 6 units of student ministry, a 6 academic credit internship, and a digital portfolio.

All programs require satisfactory chapel attendance and satisfactory student ministry evaluations.

The academic year consists of three eleven-week trimesters. A student must maintain a 2.0 GPA average (72%) to qualify for the degree. All Classes in the online program are identical to the BCC on-campus curriculum.

Classroom Hours/Academic Credits Defined

Every 12.5 hours of instruction in the classroom constitutes one semester credit hour. A three-credit class, therefore, would mean 3.41 hours of classroom instruction per week for an eleven-week term. A student, taking a 3 credit course, will complete a total of 37.5 hours of classroom instruction combined with 75 hours of academic work outside of the classroom instruction. This work includes but is not limited to the following: reading and written assignments, student projects, presentation preparation, sermon preparation, etc. For example, a student who completes the B.A. degree will complete 1,537.5 hours of classroom instruction, 3,075 hours of academic work outside of the classroom, 240 to 360 hours of student ministry, and 264 hours of internship.

Curriculum

All of BCC's Curriculum whether virtually/online or on campus is identical in the materials or time required.

Final Exams

Apart from internships, all academic courses have final exams which must have a proctor confirm the integrity of the test by monitoring the student during the test.

Digital Portfolio

The student will assemble a digital portfolio which details his/her academic and experiential learning experiences which demonstrate that the student has achieved the Academic Learning Outcomes. The student will include sample projects, research papers, essays, reflection papers, critical book reviews and journal reviews, photographs, videos, personal journal entries of spiritual growth, etc. The student will submit his/her digital portfolio for faculty review prior to graduation. If the student's digital portfolio does not reflect the academic standards of the institution and the achievement of the College's academic learning outcomes the student will not graduate.

Satisfactory Academic Progress

All students must maintain at least a 2.0 grade point average in order to graduate. A course with a failing grade will not count towards his/her graduation requirements. Satisfactory Academic Progress (SAP) is evaluated by qualitative and quantitative standards. The student must maintain a completion ratio (completed hours/attempted hours) of at least 66.7% (quantitative standard). Students must achieve an accumulated 2.0 GPA by the end of the first year and must maintain a 2.0 until graduation (qualitative standard). If a student fails to meet either the qualitative or quantitative standard, he/she will be given an academic probation warning. The student and his/her academic advisor will develop a written plan of action to correct the lack of academic progress. If the student fails to meet the written plan of action, the student will be dismissed from the program. The student may appeal the dismissal and show cause for why the student should be given a second chance. The administrative council of the college will determine the outcome of the student's appeal. If the student has successfully appealed the dismissal, a second written plan of action will be developed and approved by the administrative council. If the student fails to meet the second plan of action, the student will be dismissed from the program without the possibility of appeal.

Academic Warning

A student who has a course grade below a 2.0 will be sent an academic warning

six weeks into a trimester. The student is responsible to consult with his/her professor and/or academic advisor for assistance.

Academic Probation

After a trimester's grades have been posted, a student is placed on academic probation when his/her trimester GPA drops below 2.0 in the first two trimesters. This academic probation will restrict the number of hours a student may enroll to 9 trimester hours or less depending the recommendation from the student life department. In addition, the student may be required to only attend live lectures until the GPA is raised satisfactorily.

If a student is placed on academic probation, then he or she will be required to attend a weekly remediation lab for ten weeks.

In addition, students who are on scholarship, and who fall below a 2.0, will be given one trimester to raise his or her GPA. If the student fails to do so in the following term, then he or she will lose the scholarship and could face expulsion. Students are welcome to appeal this decision to the executive administrative committee if they have developed a written plan to raise their GPA up to the standard.

Academic Recognition

Students enrolled in 9 academic hours or more per trimester at BCC may qualify for the Academic Dean's Honor List by earning a GPA (Grade Point Average) of 3.5 or better.

Academic and Student Ministry Grades

At the end of each trimester a student's grades will be posted in bridges.campussis.com for review by the student. Note: The grades will not be available until all class surveys are completed. Academic warning and probation notices will also be sent when necessary.

Plagiarism

BCC regards plagiarism as a serious academic offense and can result in academic probation, suspension, or dismissal from the program. The access to digital material has increased the temptation of students to copy and paste written assignments when under the pressures of deadlines. Students who violate the

plagiarism policy will be disciplined appropriately to the offense. However, in some cases, it is due to a lack of knowledge and understanding as to what plagiarism is:

1. Plagiarism is “academic theft.” It means to “use, to pass off as one’s own.” It is the stealing of someone’s else’s words and/or ideas and representing them as one’s own work. Such, plagiarism covers a broad range of offenses including:
2. Copying any portion of a paper, article, magazine or book without proper notation.
3. Using, in part or whole, an assignment for more than one class without the prior consent of both professors.
4. Having another individual write part or all of an assignment.

Incomplete Grades

Upon approval of the Vice President for Academic Affairs, a student who is unable to complete a course due to a medical emergency or personal crisis, and who is passing the course will receive an Incomplete (INC) for the maximum of six weeks beyond the end of the trimester. The grade earned by the student will be posted to his or her official record at the end of the sixth week. The student may petition to extend the six- week deadline by filing a formal appeal with the Vice President of Academic Affairs.

Directed Research

In a situation where a student has transferred from another college, Directed Research course may be available to make up any deficiencies in credits (\$100 per credit in addition to normal tuition). Any requests for Directed Research must be made in writing to the academic affairs committee for consideration. Directed Research must be approved by the academic affairs committee before a directed research project can begin. The student has 11 weeks to complete the Directed Research project. In the event of a failure to complete the project in the allotted time, the student must request an extension of time. The student will be required to pay an additional fee to continue the project. Since a uniform educational experience is achieved through a consistent classroom curriculum, Directed Research projects tend to interrupt the normal educational process. This option is available for junior and senior level students whose GPA exceeds 2.5.

Incomplete and Extension

BCC Catalog 2022-23

Exams, presentations, written assignments, projects, etc. will not be accepted after the due date. If a student has extenuating circumstances, the student must appeal to the Academic Dean's office. Extensions must be requested in writing before the end of the term and may be granted by consent of the instructor and academic dean. The faculty member will establish an appropriate due date by which the student must submit all outstanding assignments. If the student fails to submit the outstanding assignments by the agreed upon date, the student's achieved grade will be entered into the student's permanent record.

Dual Enrollment

Dual enrollment in other institutions outside of Bridges Christian College must receive approval from the Director of Admissions and Vice President for Academic Affairs.

Transcript Requests

To request a transcript, the student must submit a transcript form (located on the website) to the Business Office. No transcripts will be issued if the student has an outstanding balance with the Business Office. The cost for processing transcripts is \$10.

Transferability of Bridges Christian College Credits.

Bridges Christian College is candidates for accreditation with the Association of Biblical Higher Education. Furthermore, it is every institution's prerogative concerning what credits they accept. Students have received consideration of credit transfer at other institutions when the appropriate documentation is provided. If a student desires to transfer credits to another institution, BCC recommends that the student check the policies of the institution to determine if the institution will accept BCC credits prior to enrollment at BCC.

Student Ministry Units

A unit of student ministry requires 40 hours of church related ministry over 10 weeks.

Virtual/Online Education

Bridges Christian College offers an exciting, alternative way in which church leaders, worldwide, may achieve their goals of earning a Bible college degree. Earning a Christian college degree, no longer requires you to leave your home, job, and ministry in order to “go to Bible College.” This educational strategy will allow you the flexibility to enroll in undergraduate courses that can be taken in the convenience of your own home or office – anywhere in the world!

BCC online methodology provides quality distant learning based upon electronic communication via online streaming.

Christian leaders desiring to further their education are often confronted with some of the following obstacles:

- Lengthy distance to a college campus
- Family responsibilities at home
- Currently in full-time ministry
- Limited monetary resources
- Time away for formal education

Clearly, the campus experience is valuable for those who are able to attend, but for many it is simply not possible. Today, more and more people are advancing their careers and fulfilling their pursuit of higher education in the convenience of their own homes without taking time off from work or spending time away from the family.

But, for the Christian leader searching for an alternative higher education delivery vehicle, BCC Online meets that requirement by providing affordable, quality instruction and access to a degree granting institution.

What is Virtual Learning?

Bridges Christian College employs a Asynchronous and Synchronous Online Learning paradigm. This Online learning model provides an opportunity for students to connect, by way of the live internet classroom interaction, to a learning community of fellow students, and seasoned professors in the arena of distance education. Bridges’ online assumes that each student is familiar with the

BCC Catalog 2022-23

basics of computing technology. Connectivity provides the means for cyber learners to become part of an exciting, media-rich learning environment. BCC online features:

1. All Students are required to attend an orientation session.
2. Online faculty who include members of BCC's instructional staff.
3. Positive interpersonal electronic communication.
4. A mentoring component that provides spiritual, academic, and social advising designed to help students reach life's ambitions and goals.
5. Classes are delivered live via high-speed internet, which have two way live streamed communications.
6. An eleven-week time-frame for most courses.
7. The classes have set times in which a student may be online for live two-way interaction. If a student cannot attend live, then he or she can watch the recorded lecture at a later point.
8. All Online Classes are live, synchronized and recorded. The communications consist of streaming video and audio (all students and faculty).
9. Students can voluntarily meet at their home church with other BCC online students who provide academic, spiritual development and mentoring.
10. Weekly reading, writing and study assignments are distributed with the syllabus at the beginning of each session.
11. The curriculum is accessed on the Internet with detailed assignments for each week, helping students adjust their schedules accordingly.

Students who cannot attend a classroom session during its live broadcast may elect to participate in BCC a-synchronic online program. Students who need a class which is being offered at a time prohibited by work conflicts may petition the Academic Office for permission to attend class using BCC a-synchronic online paradigm. This modality requires additional assignments beyond the synchronic online delivery modality. The student must watch the recorded lecture which was delivered live in the synchronic online program. After watching the lecture, the student must interact with fellow students and the faculty member with threaded discussion within bridgesecampus.com online software to demonstrate that the student has accomplished the following: 1. watched the lecture, 2. understands the material, 3. can demonstrate critical thinking concerning the academic materials within the lecture. This interaction must be demonstrated weekly by the student. If a student fails to meet these additional

requirements, the student will be dropped from the class for non-attendance.

How to Learn Online

Studying online represents a new learning experience for both teachers and students. The learning environment and time of study can be very different from the traditional classroom setting, but with the live interactive experience, the students have the classroom experience without leaving their communities and church families.

Several key features enable this environment which offers different ways of learning and communicating with other students and teachers. They include accessing the class via the internet, online course materials, navigating through web pages, searching the internet for information, sending/receiving email and participating in online discussions via forums and chat sessions.

Each of these features requires new skills which must develop in order for the student to become a successful learner in the online environment. A key component that a student must fulfill is his/her video presence during the classroom experience. If a student fails to fulfill this requirement, the student will be required to participate in the a-synchronic modality which will require additional assignments beyond the 112.5 hours. See a-synchronic for specific details.

Online Curriculum

The college offers a strong schedule of courses in such a cycle that all courses necessary for its degree and certificate programs are offered in a three-year rotation. A proposed online plan may be obtained by emailing the college or reviewing it on the college's website.

Tuition and Fees

BCC online is one of the most affordable cyber learning programs available. Financial information relevant to the online student may be summarized in the "Financial Information" section below.

Students must be enrolled prior to the Add/Drop deadline listed in the college academic calendar. No student is permitted to miss more than 25% of the academic instruction at which point the student is assigned a failing grade.

Online Access

www.bridges.campusis.com student module contains the classroom login information. This information can be found in the student's course schedule with the classroom number data field. The course-specific syllabus will be in the www.BridgeseCampus.com classroom management software.

Textbooks

Textbooks can be purchased online. The textbook for each class is listed in the faculty's syllabus and can be accessed on the textbook list on the website.

Technology Requirements

Students must have adequate computer equipment and sufficient skills to be able to receive instruction through this medium. To study online, you will need a computer/laptop and a broadband connection to participate in the online class. See the lists below for both the Minimum and Recommended Computer Requirements. While this minimum configuration will enable you to take classes, a faster computer, more memory, and a faster Internet connection will always give you a better experience.

The online program was developed to work with standard PCs running Windows. A Mac will be able to successfully participate in our online programs with some minor software patches.

The online classes require students to connect to the internet to view the course content and to download class discussion notes. In order to connect to the internet, you will need an Internet Service Provider (ISP).

Students are required to secure the necessary internet broadband access. Typically, internet service providers grant access from \$50-\$100 per month. The student must gain access and maintain access during the entire trimester. Recommended broadband service should meet or exceed 3.0 megabyte down and 386 kilobytes up since ISPs never guarantee broadband speeds.

The college recommends the student purchase the fastest speed he/she can afford. The student must have a headset, microphone, and video camera which provide isolation between the audio sound and microphone. A Polycom CX100 (\$125.00) provides a noise canceling audio which enables the student to participate in the

classroom experience without the need for a headset.

The student must submit a document to bridgesecampus.com classroom management website in Microsoft Office format. The student may elect to download “Open Office” or purchase Microsoft’s Student Edition of Word and PowerPoint. The College requires students to submit documents in .doc or .docx formats. The bridges.campusis.com software requires the latest edition of either Firefox, Safari, Chrome, or Maxthon. Internet Explorer is not fully compatible with HTML 5 and will not function with the faculty and student portal.

The College strongly recommends that each student protect themselves and others from the potential damage from a computer virus. BCC requires that each online student have an anti-virus software program installed on their computer and actively run while taking classes. Any student who allows a virus to enter the system will be removed from class until they can demonstrate that their system is clean and that they have an anti-virus software program monitoring their system.

Students must check their system often (at least weekly) for spyware. We recommend using the most current available software.

Classroom Etiquette

The following is what is expected of students in the online format of education. The purpose of this information is to assist students in understanding proper classroom behavior.

The classroom should be a learning centered environment in which faculty and students are unhindered by disruptive behavior. Students are expected to maintain proper decorum in the classroom.

Bridges Christian College is an institution of higher education that promotes the exchange of ideas. However, students must adhere to the rules set forth by the instructor. Failure to comply with classroom rules may result in dismissal from the class and/or the College. Faculty have the authority to manage their classrooms to ensure an environment conducive to learning and Biblical principles.

Bridges expects each student to abide by the following policy as it relates to classroom etiquette and respect of faculty and other staff personnel:

- Take responsibility for one's education - There is a common myth among students that because they pay tuition they deserve to receive credit for the class. This is not true. In fact, students pay only a portion of the cost of their education; the college and faithful donors pay the rest. Instructors are here to create a learning environment. Whether a student learns depends on the student's willingness to listen, ask appropriate questions, and do the work necessary to pass the course. If the student's academic preparation from high school is weak or if he/she has been out of school for a period of time, the student may have to work harder and seek more help in order to succeed.
- Attend every class - One will find that students who attend every class, listen to the instructor and take good notes will be more likely to pass (with a higher grade). If a student has an emergency or illness, then he/she should contact the instructor ahead of time to let her/him know that you will be absent. A local study showed that students who missed the first class meeting were more likely later to withdraw or fail. Important note: if a student misses a class it is his/her responsibility to meet with the instructor, outside of regular class time, to determine a plan to make up the missed work.
- Get to class on time - Students who arrive late or leave early distract other students, the professor, and disrupt the overall learning environment. Ultimately, the student is affected academically. The same is true for online courses.
- Turn off cellular phones - It is very distracting to hear someone's phone go off in class or in the online portal. Students are to stay focused, pay attention, and get the most out of the time they have in class.
- Keep video on during the livestream - Students are expected to have their videos on during the livestream. This is to help with student and teacher interaction.
- Do not dominate other students' opportunities to learn by asking too many questions - It's good to ask questions and make comments, but if a student dominates the class time with too many questions and/or comments, the instructor and other students cannot participate in class discussions. When asking questions or making comments, the student should keep them related to the discussion at hand.
- Respect one's instructor and refer to them by their title (i.e., Dr. Miller) - Openly challenging the instructor's knowledge or authority in the classroom is not proper. If a student takes issue with the instructor's

information or instructional methods, then he/she must make sure that his/her comments are made without disrespect or antagonism. The student may want to discuss his/her issues with her/him privately. It is also important that when communicating with faculty, staff, and administration that proper titles be used as a form of respect for their position.

- Instructors' classroom policies, procedures and teaching styles vary - Assignments and classroom activities are at the prerogative of the instructor. Each instructor has the freedom and authority to set the guidelines and policies for their classroom (within the overall policies of the college).
- One's classmates deserve respect and support - Others may have different ideas and opinions from a student's, they may ask questions you perceive to be "not relevant," but they deserve the same level of respect.
- Come to class prepared - Students who forget common classroom materials, deadlines, and assignments hinder their learning experience. Students who have not completed their assigned work many times ask questions that could have been answered through their assignments.
- Turn in one's work on time - It is important to plan ahead. Students who wait until the last minute to do their work usually make lower grades and are more likely to miss deadlines. Students are to study and do their assignments every day. If a problem occurs at the last minute such as a computer malfunction, the student will still be prepared.
- When having academic difficulty seek assistance - Our instructors are willing to assist students, however there are other ways to get help. Bridges Christian College has resources and tutors who are available for many courses. Remember, the Vice President for Student Life can assist students with conflicts in the classroom, personal accountability, and career development.

Online Student Ministry Requirements

Students enrolled in the BCC Online program must successfully complete the Student Ministry Units required to graduate. The student must select a qualified person and receive approval for this person from the Student Life Office to oversee one's student ministry. This person typically would be a pastor or associate pastor from one's church or auxiliary ministry (Homeless shelter, outreach ministries, etc.). The approved student ministry person will submit a report to BCC's Student Life Office documenting the successful completion of his/her student ministry requirements.

In order to foster community between students and administration, the student is encouraged to complete one of these student ministry units through one of the weekly missions opportunities offered at the main campus. The student is to complete this requirement within their first four trimesters. The experiences are one week long and include housing. The student may choose from multiple experiences at the main campus which include: (1) annual foreign missions trip, (2) Mardi Gras Outreach, (3) Immerse NOLA Youth Rally, and (4) Urban Vibe Outreaches. Please see the academic calendar or call the main office for dates.

Student Ministry Practicum

The student ministry practicums and internship provide an integral part of the education process. Intellectual knowledge without practical application and experience does not guarantee successful ministry in the real world. The student ministry program integrates academic knowledge with hands-on experience. The proven historical method of this integration has been apprenticeships. The success of apprenticeships results from the merging of a mentor's skillful guidance with the student's development of a learned skill set through practice. BCC desires to immerse the student in ministry settings with the guidance of a skilled mentor. The resulting experience allows the student to explore various ministry opportunities found in non-threatening learning environments. The student ministry practicums provide the student with opportunities to explore and discover ministries to which God will call the student. The expression "practice makes perfection" overreaches the reality of student ministry practicums, but practice surely does not hinder one's development of excellent ministry skills through mentorship and ministry practice.

International Students

Currently, BCC cannot issue I-20 student visas. The College at the time of publication for this catalog will be applying to the HomeLand Security (SEVIS) to issue I-20s. When or if BCC receives authorization to accept international students the following policies will be in effect. US embassies have the final authority for issuance of I-20 approvals. BCC does not provide English training for international students who lack the English language skills required to pass the TOEFL (see item three below). BCC will assist the international student to secure his/her I-20, but the student is responsible for all financial requirements and fees. International students are required to meet all admissions standards for the college

and the following additional requirements:

1. Submit annual financial certification showing financial sponsorship for the duration of the academic program.
2. International students for whom English is not their native language are required to take the Test of English as a Foreign Language (TOEFL) and submit their scores to the Admissions Office. A score of at least 550 is required for admission.
3. International transfer students must provide evidence of good standing from any previous college in order to transfer to BCC.
4. Notification must be made to the U.S. Immigration and Naturalization Service concerning any change of an international student's status.
5. Submit payment in U.S. dollars to cover the full cost of the first academic year before an I-20 form is issued. The estimated cost of the first year for a full-time, campus resident is \$9,600. International Students are required to reside in campus housing.
6. If the international student fails to comply with college policies, the college will report the dismissal to HomeLand Security and result in immediate deportation.
7. International students must maintain at least 9 credits each term.

It is the responsibility of international students to ensure that degrees from BCC fulfill the requirements in their native countries.

FINANCIAL INFORMATION

Cost of Education

BCC is a college of faith where the administration, faculty, staff and students alike trust God by faith for His supply (I Timothy 1:4b). Student fees pay only a portion of the college's operating expenses each year. Supporting churches and individuals subsidize the operating budget of the college. This represents a sizable investment in every student's education. While the college depends on the Lord in faith for its financial support, some educational costs must be met by the student by faith.

Every student qualifies for our Ecclesiastical Scholarship (with the pastoral reference). Please see the section below titled "Grants and Scholarships."

BCC follows the following schedule of payment:

BCC Catalog 2022-23

A non-degree seeking student who desires personal enrichment classes may do so at the following rate structure. If the student wishes to receive credits towards a degree or transfer credits earned to another institution, the student must pay the standard rate for the credits prior to receiving full credit. Note that a non-degree student may only take up to four classes under this provision as a non-degree student. A student taking advantage of this non-degree status must complete the non-degree form available online.

Audit Schedule of Expenses - Trimester Fees FALL - SPRING 2022-2023

FEE	TYPE	INCLUDES
\$100	Per Trimester	First Course
\$200	Per Trimester	Second Course
\$300	Per Trimester	Third Course
\$400	Per Trimester	Fourth Course

*Part-time students must complete the application process before registering for classes.

Auditing Bridges Classes

Bridges classes are available for auditing when space is available. No credit is involved, no examinations are required, and no grades are reported. The fee to audit a course is \$100 per course.

Attendance, class preparation, and participation are at the discretion of the department head and/or instructor. Students may elect to earn credit for the course being audited before the mid-term break or the first exam. All course-work must be completed in a timely manner, and the attendance policy becomes effective for the whole trimester. The student must also complete the application process in an expedient manner.

Grants and Scholarships

Every student at BCC receives a scholarship. Also, upon receipt of a pastoral reference required for admission, and a completed pell grant application, every student qualifies for our Ecclesiastical Scholarship, that, after scholarships/grants

from churches and donors and Federal Pell Grants, reduces the student's out-of-pocket cost to \$200 per trimester.

Students will be required to maintain at least a 2.0 GPA to retain all scholarships.

For policy on Federal Grants, see the Federal Financial Aid Policy below. In order to keep every student's education debt-free, BCC does not participate in Title 4 Student Loan Programs.

Financial Aid

Refund Policy for all Non-Federal Funds (See Federal Financial Aid Policy below for Refund Schedule on Federal Funds)

An adjustment will be made to the student's account when the student withdraws from the college with the proper documentation approval. The student must complete an official Withdrawal Form (available in the Academic Dean's Office, on the BCC website, or in the student handbook) at the time he/she is leaving the college. Refunds are effective as of the date of the submission of the withdrawal form. Tuition refunds are based on the total tuition for the trimester and will be refunded according to the following percentages:

Prior to the first class	100%
1 st week of classes	75%
2 nd week of classes	50%

No refund after the second week of classes. Students who do not attend class in the first two weeks of school and do not communicate with the school during this time are automatically withdrawn and do not receive a refund.

Important note: This policy does not pertain to the \$200.00 technology fee due at the beginning of each trimester that covers each student's registration costs to the school. This fee is non-refundable.

FEDERAL ASSISTANCE PROGRAM OFFERED: FEDERAL PELL

GRANT

BCC DOES NOT PARTICIPATE IN TITLE IV STUDENT LOANS PROGRAMS.

General Eligibility Requirements and Deadlines

A student seeking financial aid must be a U.S. citizen or an eligible non-citizen; be seeking a degree, diploma or certificate; have a high school diploma, GED, or prove ability to benefit by passing an approved test; not be in default on any educational loan; not owe a refund on a federal grant; agree to use federal aid solely for educational purposes; and make satisfactory academic progress.

Applications for federal student aid must be submitted on an annual basis. The Free Application for Federal Student Aid (FAFSA) and the Institutional Financial Aid Application should be filed as soon after the first of the year as possible.

Priority consideration is given to students who submit these documents by March 1 and complete their files by April 15 for the next academic year. The Financial Aid office can also provide a hard copy of the FAFSA to complete.

Federal Pell Grant: This is a federally funded grant based on financial need. A Free Application for Federal Student Aid (FAFSA) must be filed annually to determine eligibility. The FAFSA may be completed online at www.fafsa.gov. The amount of the grant depends on the student's (a) family contribution, (b) enrollment status, and (c) length of time enrolled during the academic year.

Application Dates

Applications for financial assistance are available after January 1 of each year for the following academic year (August-May). The Free Application for Federal Student Aid (FAFSA) can be submitted online at www.fafsa.gov and should be completed by March 1. Priority is given to students whose FAFSA's are submitted by March 1 and whose files are accurate and complete by April 15. To have funds ready at registration, the following deadlines are suggested: Apply by May 1 and have a complete and accurate file by July 1. Students planning to attend summer school need a FAFSA filed for the academic year preceding the summer session. Students are required to apply for institutional aid prior to the end of late registration each trimester. After the end of late registration, students cannot be awarded any additional institutional financial aid even if otherwise

eligible.

Verification

Some students that complete the FAFSA may be selected for a process called verification. If selected for verification, federal regulations require that BCC verifies certain things that a student has stated on their FAFSA form. Students will be notified through their BCC email if selected for verification and what items are required.

Verification must be completed by the earlier of:

- 120 Days after the last day of student enrollment
- The federally set deadline which has not yet been released for the 2022-2023 school year.

If a student fails to submit the requested documentation by the deadline, the student is no longer eligible for their Pell Grant disbursement. BCC will notify students of their expected family contribution and Title IV amounts, as well as any changes resulting from verification, through the student's BCC email.

Financial Aid Eligibility

The financial aid lock in date is the last day a student can receive a 100% refund. This date will determine Pell Grant eligibility. Classes added after this day will not be eligible for additional federal aid. Federal Pell Grants will prorate by the number of credit hours registered for on this day. Students receiving Pell funds are required to attend at least one class period in each course to become eligible for funding. Please see the Financial Aid Office for these program requirements.

Return of Title IV Federal Funds

Introduction

If the student withdraws from the college, federal law and regulations specify how BCC must determine the amount of Title IV program assistance that the student has earned. To qualify for Title IV financial aid, the student must attend a class. Though the student aid is posted to the student's account at the start of each

trimester, the student earns the funds as he/she completes the trimester. If the student withdraws during the trimester, the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received less assistance than the amount that he/she earned, the student may be able to receive those additional funds. If the student received more assistance than he/she has earned, the excess funds must be returned by BCC and/or the student. A return of Title IV (R2T4) funds calculation is performed when a student who is awarded federal funds withdraws from a trimester or the college. When a student files an official withdrawal from all courses or the college, that date provides the “Withdrawal Date” and the “Date of Determination” for R2T4. When a student fails to attend any of the courses during the first two weeks of a trimester, the student is automatically withdrawn from the trimester and NO financial aid is awarded. The student can appeal this decision, if extenuating circumstances are present, and the student can make up the missed course lectures, forums, and assignments. Students are required to complete 75 percent of a course’s lecture and forum participation. If a student misses greater than 25 percent of ALL course lectures and forum requirements and does not have extenuating circumstances that are approved by the academic dean, the student will be withdrawn from the trimester. When the institution discovers that a student has failed to meet the attendance requirement for ALL classes, the student will be provided with a withdrawal notice for the trimester based on non-attendance. The “Date of Determination” will be the date the college discovers that the student has failed to meet the institution’s attendance requirements for all courses. Once the “Date of Determination” is established, the institution must R2T4 all unearned funds within 30 days.

The Financial Aid Office uses software provided by the U.S. Department of Education to complete this calculation. The student’s account statement and financial aid record is used in conjunction with this software.

Estimate of Aid Earned or Aid That May Need to be Returned

The amount of assistance that the student has earned is determined on a pro rata basis. For example, if the student completed 30% of the trimester, the student earns 30% of the assistance the student was originally scheduled to receive. Once the student has completed more than 60% of the trimester, the student earns all the assistance that the student was scheduled to receive for that trimester. This means that if a student receiving federal Title IV aid withdraws after completing 60% of the trimester, no Title IV funds will be returned. The student is considered

to have earned 100% of the Title IV aid for the trimester. Here's an example of how the student can estimate the percentage of Title IV aid that the student has earned in a trimester (enrollment period).

Enrolled Days

Days in the Enrollment Period

=%Title IV Earned By Student

The student can also compute a rough estimate of the amount that he/she may be required to repay prior to withdrawing by using the U.S. Department of Education's Treatment of Title IV Funds When A Student Withdraws form.

Unofficial Withdrawals and Earning All Non-Passing Grades

If the student fails to earn a passing grade in at least one of his/her courses (i.e. all F's, NC's, all I's or a combination of non-passing grades during a trimester, the student is considered to have, for purposes of federal Title IV funds, unofficially withdrawn from the College. As a result, a federal withdrawal calculation must be performed to determine the amount of Title IV funds that the student must repay. The only exception is when BCC can document (within 30 days of the end of the trimester) that the student should not have been considered unofficially withdrawn. For example, that a student was academically engaged after the 60% point of the trimester or that a student did not meet the requirements for administrative withdrawal in an online course. Once trimester grades post, and if a student fails to earn a passing grade in at least one of his/her courses, BCC will perform the federal withdrawal (Return of Title IV) calculation.

Post-Withdrawal Disbursement

If a student did not receive all the funds that he/she earned, the student may be due a post-withdrawal disbursement. BCC may automatically use all or a portion of our post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). BCC needs the student's permission to use the post-withdrawal grant disbursement for all other school charges, and this permission is received each trimester by each student when the student approves his/her bill and agree to the terms and conditions of registration

in the student's BCC student portal. There are some Title IV funds that the student may have been scheduled to receive that cannot be disbursed to him/her once the student withdraws because of other eligibility requirements.

Returning Title IV Funds

If a student or BCC receive excess Title IV program funds that must be returned, BCC must return a portion of the excess equal to the lesser of:

1. The student's institutional charges multiplied by the unearned percentage of the student's funds, or;
2. The entire amount of excess funds.

BCC must return this amount even if BCC didn't keep this amount of his/her Title IV program funds. If BCC is not required to return all of the excess funds, the student must return the remaining amount.

Overpayments

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that the student must repay is half of the grant funds the student received or was scheduled to receive. The student does not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. The student must make arrangements with BCC or the Department of Education to return any unearned grant funds.

Non-Attendance

If a student is a Pell Grant recipient, federal regulations require the student to have begun attending the courses for which he/she is enrolled and receiving these grants. If on the final roll sheet distributed to instructors to confirm attendance, the student's instructor indicates that the student is not attending a course, the student is assumed not to have begun attendance for that course. The student's grant will then be adjusted or cancelled based on the courses the student has begun to attend. If the student fails to begin attendance in all the courses for which the student is registered, the student will have failed to establish eligibility for financial aid. In this situation, the student will be required to repay all the financial aid that he/she has received.

Last Date of Attendance Determination for Programs.

The Financial Aid Office uses the student's last date of attendance in calculating whether or not Title IV funds have to be returned to Federal Student Aid. These attendance records are received through CampusSIS.com, BridgesEcampus.com, or instructor records. Additionally, other academic records in BridgesEcampus.com may be used to help determine the last date of attendance, such as when a student submitted an assignment or completed an assessment in BridgesEcampus.com.

Federal vs. Institutional Refund Policy

The requirements for federal Title IV program funds when the student withdraws is separate from any refund policy that BCC has regarding institutional grants and scholarships or other non-federal financial aid. Therefore, federal funds may not cover all unpaid institutional charges due to a student's withdrawal, and the student may still owe funds to BCC to cover any unpaid institutional charges. BCC may also charge the student for any Title IV program funds that BCC are required to return. If the student is not familiar with BCC's refund policy, he/she should contact the Student Billing Office at Business@BridgesChristianCollege.com email or phone 855-702-7434 to ask for a copy.

Withdrawal Requirements and Procedures

The student may contact the Registrar's Office by email (registrar@bridgeschristiancollege.com or phone 855-702-7434) so that they can provide the student with the requirements and procedures for officially withdrawing from school. When considering withdrawing from the College, students are encouraged to contact the Financial Aid Office first to see how the withdrawal could affect their aid. The Financial Aid Office will assist the student in making an informed decision. Students can contact Financial Aid at financialaid@BridgesChristianCollege.com or by calling 855-702-7434.

Requirements and Deadlines for R2T4 Calculations and Return of Title IV Aid

The following list outlines the requirements and deadlines for the

Additional Questions

If the student has questions about his/her Title IV program funds, the student can contact the Financial Aid Office at financialaid@BridgesChristianCollege.com or phone 855-702-7434. The student may also call the Federal Student Aid Information Center at (800)4-FEDAID [(800)433-3243]. TTY users may call (800)730-8913. Information is also available on Student Aid on the web at

Accident and Health Insurance

The college does not assume responsibility to provide medical care in case of either accident or illness even though the accident or illness may occur on campus or in the discharge of duties or activities pertaining to the college program. A form absolving the college of all responsibility must be signed before participating in events at the main campus.

HIPAA

Bridges Christian College has adopted a Health Information Physical Security Policy that complies with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Department of Health and Human Services security and privacy regulations requirements to protect the security of health information. In addition, we consider it our duty to protect the privacy and integrity of confidential information as required by law, professional ethics, and accreditation requirements.

Student Self Support

Students are encouraged to become independent and manage their finances and budget. Clearly, the campus experience is valuable for those who are able to attend, but for many, it is simply not possible. Today, more and more people are advancing their careers and fulfilling their pursuit of higher education in the convenience of their own homes without taking time off from work or spending time away from the family.

However, for the Christian leader searching for an alternative higher education delivery vehicle, BCC meets that requirement by providing affordable, quality instruction and access to a degree-granting institution.

Veteran Benefits

BCC is currently seeking approval by the State Approving Agency of the State of

BCC Catalog 2022-23

Louisiana for the education and training of veterans and eligible dependents under public laws in effect. At the time of this catalog's publication, BCC was not eligible for VA Benefits. See website for updates regarding VA benefits. Once BCC has received authorization for veterans, the following policies will be in effect. Students who are eligible for educational benefits under any Veterans Administration program should contact a veterans' service office for information, procedures, and forms as early as possible. The Registrar's Office at BCC is responsible for enrollment certification. A request to initiate, change or renew benefits must be filed with this office.

Students must be enrolled for 8 or more trimester hours to be eligible for full-time benefits. A student cannot receive educational benefits for audit courses. VA regulations require that students take courses that are applicable to their program, make satisfactory progress toward their degree, and maintain satisfactory attendance for the degree program as stated in the Satisfactory Academic Progress policy.

Veterans' benefits will be terminated for students who fail to make satisfactory academic progress or receive dismissal for academic or disciplinary reasons.

The Registrar's Office notifies the VA of reported changes in enrollment or withdrawal. However, the student is responsible for notifying the certifying official of the college, and the VA Regional Office of any enrollment changes or termination of enrollment. The VA student is responsible for any overpayment of benefits resulting from a change in enrollment. The VA toll-free number is 1-800-827-1000.

U.S. Armed Forces Institution

BCC grants credit for coursework completed through the U.S. Armed Forces Institute. This usually applies to general education coursework and is granted by the Registrar upon review of transcripts. The student is responsible for having a copy of the transcript sent to the Registrar's Office.

Veterans Benefits

The law permits benefits to be paid for half-time, three-quarter time, full-time or less than half-time training in approved educational training programs. A full-time course load involves a minimum of 8 credit hours each trimester.

POLICIES & PROCEDURES

Grievance Policy

Bridges Christian College is dedicated to providing an atmosphere consistent with its goal of preparing students for Christian ministries. Policies, rules, regulations, and guidelines established by the Board of Directors are to promote harmony and consideration for one another for the ongoing purposes of the college. The college desires to deal fairly with all persons, whether students, staff, faculty, administration, or guests. Should students have a complaint or grievance, the institution needs to be notified. BCC urges students to follow Scriptural patterns for the solutions of problems, namely the principles outlined in Matthew 18. The following guidelines are considered appropriate:

1. Don't do or say anything harmful about or to another person.
2. Pray about the matter.
3. Let God help you find the right approach to the solution.
4. Discuss the matter with your supervisor.
5. If an understanding is not reached, discuss the matter with the next higher authority. This may be the administrative officer of the college in charge of the specific area involved. The administrative officer will then direct the student to the formal grievance process outlined in the student handbook.
6. If no satisfaction is reached by this point, the president of the college will be notified in the process. The president will either make a decision or present the matter to the Board of Administration for action.
7. Students are welcome to contact the following agencies if the grievance is not resolved at the presidential level.
 - a. The Department of Consumer Affairs for the State of Louisiana.
See website for information:
<https://www.ag.state.la.us/Complaint.aspx>
 - b. Association of Biblical Higher Education (www.abhe.org)

Remember that the college personnel cannot always work instant solutions to all problems, but you are among friends who care and will take all reasonable steps toward the solution of all legitimate problems you may encounter.

Non-Discrimination Policies and Procedures

Bridges Christian College does not discriminate on the basis of race, color, national or ethnic origin, sex, or handicap in the administration of its educational policies, scholarships, loans, and other financial aid programs, athletic and other college-administered programs. Also, as required by Title IX of the Educational Amendments of 1972, BCC does not discriminate on the basis of sex in its educational programs or activities or employment except where necessitated by specific religious tenets held by the institution and its controlling body.

Student Life Policies

All relevant student life policies may be found in the student life handbook. The catalog merely provides a brief overview of important policies. Students are expected to familiarize themselves with the student life handbook.

Students who are living on-campus are expected to abide by guidelines listed in the handbook of the missions training program, Compassion Corps International. Information regarding the CCI program may be accessed at joincompassioncorps.com.

The student life handbook may be accessed on the school website at the following link: <https://bridgeschristiancollege.com/college-catalogs-and-handbooks/>.

All students are required to sign a covenant agreement that signifies their commitment to the college mission, statement of faith, and college policies and procedures.

APPENDIX

STATEMENT OF FAITH

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct.

- 2 Timothy 3:15-17 [[KJV/NIV](#)]
- 1 Thessalonians 2:13 [[KJV/NIV](#)]
- 2 Peter 1:21 [[KJV/NIV](#)]

2. The One True God

The one true God has revealed Himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son and Holy Spirit.

- Deuteronomy 6:4 [[KJV/NIV](#)]
- Isaiah 43:10,11 [[KJV/NIV](#)]
- Matthew 28:19 [[KJV/NIV](#)]
- Luke 3:22 [[KJV/NIV](#)]

The Adorable Godhead

a. Terms Defined

The terms "Trinity" and "persons" as related to the Godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God who is One Lord, as a trinity or as one Being of three persons, and still be absolutely scriptural.

- Matthew 28:19 [[KJV/NIV](#)]
- 2 Corinthians 13:14 [[KJV/NIV](#)]
- John 14:16-17 [[KJV/NIV](#)]

b. Distinction and Relationship in the Godhead

Christ taught a distinction of Persons in the Godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained.

- Luke 1:35 [[KJV/NIV](#)]
- 1 Corinthians 1:24 [[KJV/NIV](#)]
- Matthew 11:25-27 [[KJV/NIV](#)]
- Matthew 28:19 [[KJV/NIV](#)]
- 2 Corinthians 13:14 [[KJV/NIV](#)]
- 1 John 1:3-4 [[KJV/NIV](#)])

c. Unity of the One Being of Father, Son and Holy Spirit

Accordingly, therefore, there is that in the Father which constitutes him the Father and not the Son; there is that in the Son which constitutes Him the Son and not the Father; and there is that in the Holy Spirit which constitutes Him the Holy Spirit and not either the Father or the Son. Wherefore the Father is the Begetter, the Son is the Begotten, and the Holy Spirit is the one proceeding from the Father and the Son. Therefore, because these three persons in the Godhead are in a state of unity, there is but one Lord God Almighty and His name one.

- John 1:18 [[KJV/NIV](#)]
- John 15:26 [[KJV/NIV](#)]
- John 17:11 [[KJV/NIV](#)]
- John 17:21 [[KJV/NIV](#)]
- Zechariah 14:9 [[KJV/NIV](#)]

d. Identity and Cooperation in the Godhead

The Father, the Son and the Holy Spirit are never identical as to Person; nor confused as to relation; nor divided in respect to the Godhead; nor opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation and authority. Hence, neither Person in the Godhead either exists or works separately or independently of the others.

BCC Catalog 2022-23

- John 5:17-30 [[KJV/NIV](#)]
- John 5:32 [[KJV/NIV](#)]
- John 5:37 [[KJV/NIV](#)]
- John 8:17,18 [[KJV/NIV](#)]

e. The Title, Lord Jesus Christ

The appellation, "Lord Jesus Christ," is a proper name. It is never applied in the New Testament, either to the Father or to the Holy Spirit. It therefore belongs exclusively to the Son of God.

- Romans 1:1-3,7 [[KJV/NIV](#)]
- 2 John 3 [[KJV/NIV](#)]

f. The Lord Jesus Christ, God with Us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is therefore, acknowledged to be both God and man; who because He is God and man is "Immanuel," God with us.

- Matthew 1:23 [[KJV/NIV](#)]
- 1 John 4:2 [[KJV/NIV](#)]
- 1 John 4:10 [[KJV/NIV](#)]
- 1 John 4:14 [[KJV/NIV](#)]
- Revelation 1:13 [[KJV/NIV](#)]
- Revelation 1:17 [[KJV/NIV](#)]

g. The Title, Son of God

Since the name "Immanuel" embraces both God and man in the one Person, our Lord Jesus Christ, it follows that the title, Son of God, describes His proper deity, and the title, Son of Man, His proper humanity. Therefore, the title Son of God, belongs to the order of eternity, and the title, Son of Man, to the order of time.

- Matthew 1:21-23 [[KJV/NIV](#)]
- 2 John 1:3 [[KJV/NIV](#)]
- 1 John 3:8 [[KJV/NIV](#)]
- Hebrews 7:3 [[KJV/NIV](#)]
- Hebrews 1:1-13 [[KJV/NIV](#)]

h. Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the Doctrine of Christ to say that Jesus Christ derived the title, Son of God, solely from the fact of the incarnation, or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father, and the Son; and a displacement of the truth that Jesus Christ is come in the flesh.

- 2 John 9 [[KJV/NIV](#)]
- John 1:1 [[KJV/NIV](#)]
- John 1:2 [[KJV/NIV](#)]
- John 1:14 [[KJV/NIV](#)]
- John 1:18 [[KJV/NIV](#)]
- John 1:29 [[KJV/NIV](#)]
- John 1:49 [[KJV/NIV](#)]
- 1 John 2:22,23 [[KJV/NIV](#)]
- 1 John 4:1-5 [[KJV/NIV](#)]
- Hebrews 12:2 [[KJV/NIV](#)]

i. Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by Himself purged our sins, sat down on the right hand of the Majesty on high; angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all.

- Hebrews 1:3 [[KJV/NIV](#)]
- 1 Peter 3:22 [[KJV/NIV](#)]
- Acts 2:32-36 [[KJV/NIV](#)]
- Romans 14:11 [[KJV/NIV](#)]
- 1 Corinthians 15:24-28 [[KJV/NIV](#)]

j. Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Spirit to ascribe unto the Son all the attributes of

Deity, and to give Him all honor and the glory contained in all the names and titles of the Godhead except those which express relationship (see Distinction and Relationship in the Godhead, Unity of the One Being of Father, Son and Holy Spirit , and Identity and Cooperation in the Godhead) and thus honor the Son even as we honor the Father.

- John 5:22,23 [[KJV/NIV](#)]
- 1 Peter 1:8 [[KJV/NIV](#)]
- Revelation 5:6-14 [[KJV/NIV](#)]
- Philippians 2:8,9 [[KJV/NIV](#)]
- Revelation 7:9-10 [[KJV/NIV](#)]
- Revelation 4:8-11 [[KJV/NIV](#)]

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

His virgin birth,

- Matthew 1:23 [[KJV/NIV](#)]
- Luke 1:31 [[KJV/NIV](#)]
- Luke 1:35 [[KJV/NIV](#)]

His sinless life,

- Hebrews 7:26 [[KJV/NIV](#)]
- 1 Peter 2:22 [[KJV/NIV](#)]

His miracles,

- Acts 2:22 [[KJV/NIV](#)]
- Acts 10:38 [[KJV/NIV](#)]

His substitutionary work on the cross,

- 1 Corinthians 15:3 [[KJV/NIV](#)]
- 2 Corinthians 5:21 [[KJV/NIV](#)]

His bodily resurrection from the dead,

- Matthew 28:6 [[KJV/NIV](#)]

- Luke 24:39 [[KJV/NIV](#)]
- 1 Corinthians 15:4 [[KJV/NIV](#)]

His exaltation to the right hand of God.

- Acts 1:9 [[KJV/NIV](#)]
- Acts 1:11 [[KJV/NIV](#)]
- Acts 2:33 [[KJV/NIV](#)]
- Philippians 2:9-11 [[KJV/NIV](#)]
- Hebrews 1:3 [[KJV/NIV](#)]

4. The Fall of Man

Man was created good and upright; for God said, "Let us make man in our own image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God.

- Genesis 1:26,27 [[KJV/NIV](#)]
- Genesis 2:17 [[KJV/NIV](#)]
- Genesis 3:6 [[KJV/NIV](#)]
- Romans 5:12-19 [[KJV/NIV](#)]

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

Conditions to Salvation

Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God, according to the hope of eternal life.

- Luke 24:47 [[KJV/NIV](#)]
- John 3:3 [[KJV/NIV](#)]
- Romans 10:13-15 [[KJV/NIV](#)]
- Ephesians 2:8 [[KJV/NIV](#)]
- Titus 2:11 [[KJV/NIV](#)]

- Titus 3:5-7 [[KJV/NIV](#)]

The Evidence of Salvation

The inward evidence of salvation is the direct witness of the Spirit.

- Romans 8:16 [[KJV/NIV](#)]

The outward evidence to all men is a life of righteousness and true holiness.

- Ephesians 4:24 [[KJV/NIV](#)]
- Titus 2:12 [[KJV/NIV](#)]

6. The Ordinances of the Church

Baptism in Water

The ordinance of baptism by immersion is commanded by the Scriptures. All who repent and believe on Christ as Saviour and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life.

- Matthew 28:19 [[KJV/NIV](#)]
- Mark 16:16 [[KJV/NIV](#)]
- Acts 10:47,48 [[KJV/NIV](#)]
- Romans 6:4 [[KJV/NIV](#)]

Holy Communion

The Lord's Supper, consisting of the elements --bread and the fruit of the vine-- is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4 [[KJV/NIV](#)]), a memorial of his suffering and death (1 Corinthians 11:26 [[KJV/NIV](#)]), and a prophecy of His second coming (1 Corinthians 11:26 [[KJV/NIV](#)]), and is enjoined on all believers "till He come!"

7. The Baptism in the Holy Spirit

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian Church. With it comes the enduement of power for life and

service, the bestowment of the gifts and their uses in the work of the ministry.

- Luke 24:49 [[KJV/NIV](#)]
- Acts 1:4 [[KJV/NIV](#)]
- Acts 1:8 [[KJV/NIV](#)]
- 1 Corinthians 12:1-31 [[KJV/NIV](#)]

This experience is distinct from and subsequent to the experience of the new birth.

- Acts 8:12-17 [[KJV/NIV](#)]
- Acts 10:44-46 [[KJV/NIV](#)]
- Acts 11:14-16 [[KJV/NIV](#)]
- Acts 15:7-9 [[KJV/NIV](#)]

With the baptism in the Holy Spirit come such experiences as:

- an overflowing fullness of the Spirit, John 7:37-39 [[KJV/NIV](#)], Acts 4:8 [[KJV/NIV](#)]
- a deepened reverence for God, Acts 2:43 [[KJV/NIV](#)], Hebrews 12:28 [[KJV/NIV](#)]
- an intensified consecration to God and dedication to His work, Acts 2:42 [[KJV/NIV](#)]
- and a more active love for Christ, for His Word and for the lost, Mark 16:20 [[KJV/NIV](#)]

8. The Initial Physical Evidence of the Baptism in the Holy Spirit

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance.

- Acts 2:4 [[KJV/NIV](#)]

The speaking in tongues in this instance is the same in essence as the gift of tongues, but is different in purpose and use.

- 1 Corinthians 12:4-10 [[KJV/NIV](#)]
- 1 Corinthians 12:28 [[KJV/NIV](#)]

9. Sanctification

Sanctification is an act of separation from that which is evil, and of dedication unto God.

- Romans 12:1,2 [[KJV/NIV](#)]
- 1 Thessalonians 5:23 [[KJV/NIV](#)]
- Hebrews 13:12 [[KJV/NIV](#)]

The Scriptures teach a life of "holiness without which no man shall see the Lord."

- Hebrews 12:14 [[KJV/NIV](#)]

By the power of the Holy Spirit we are able to obey the command: "Be ye holy, for I am holy."

- 1 Peter 1:15,16 [[KJV/NIV](#)]

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by the faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit.

- Romans 6:1-11 [[KJV/NIV](#)]
- Romans 6:13 [[KJV/NIV](#)]
- Romans 8:1,2 [[KJV/NIV](#)]
- Romans 8:13 [[KJV/NIV](#)]
- Galatians 2:20 [[KJV/NIV](#)]
- Philippians 2:12,13 [[KJV/NIV](#)]
- 1 Peter 1:5 [[KJV/NIV](#)]

10. The Church and its Mission

The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is an integral part of the General Assembly and Church of the Firstborn, which are written in heaven.

- Ephesians 1:22,23 [[KJV/NIV](#)]
- Ephesians 2:22 [[KJV/NIV](#)]
- Hebrews 12:23 [[KJV/NIV](#)]

Since God's purpose concerning man is to seek and to save that which is lost, to be worshipped by man, to build a body of believers in the image of His Son, and to demonstrate His love and compassion for all the world, the priority reason for being of the Assemblies of God as part of the Church is:

1. To be an agency of God for evangelizing the world.
2. Acts 1:8 [[KJV/NIV](#)]
Matthew 28:19,20 [[KJV/NIV](#)]
Mark 16:15,16 [[KJV/NIV](#)]
3. To be a corporate body in which man may worship God.
4. 1 Corinthians 12:13 [[KJV/NIV](#)]
5. To be a channel of God's purpose to build a body of saints being perfected in the image of His Son.
6. Ephesians 4:11-16 [[KJV/NIV](#)]
1 Corinthians 12:28 [[KJV/NIV](#)]
1 Corinthians 14:12 [[KJV/NIV](#)]
7. To be a people who demonstrate God's love and compassion for all the world.
8. Psalms 112:9 [[KJV/NIV](#)]
Galatians 2:10; 6:10 [[KJV/NIV](#)]
James 1:27 [[KJV/NIV](#)]

The Assemblies of God exists expressly to give continuing emphasis to this reason for being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

1. Enables them to evangelize in the power of the Spirit with accompanying supernatural signs.
2. Mark 16:15-20 [[KJV/NIV](#)]
Acts 4:29-31 [[KJV/NIV](#)]
Hebrews 2:3,4 [[KJV/NIV](#)]
3. Adds a necessary dimension to worshipful relationship with God.
4. 1 Corinthians 2:10-16 [[KJV/NIV](#)]
1 Corinthians 12 [[KJV/NIV](#)]
1 Corinthians 13 [[KJV/NIV](#)]
1 Corinthians 14 [[KJV/NIV](#)]
5. Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ and care for the poor and needy of the

world.

6. Galatians 5:22-26 [[KJV/NIV](#)]
- Matthew 25:37-40 [[KJV/NIV](#)]
- Galatians 6:10 [[KJV/NIV](#)]
- 1 Corinthians 14:12 [[KJV/NIV](#)]
- Ephesians 4:11,12 [[KJV/NIV](#)]
- 1 Corinthians 12:28 [[KJV/NIV](#)]
- Colossians 1:29 [[KJV/NIV](#)]

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the fourfold purpose of leading the Church in:

Evangelization of the world.

- Mark 16:15-20 [[KJV/NIV](#)]

Worship of God.

- John 4:23,24 [[KJV/NIV](#)]

Building a body of saints being perfected in the image of His Son.

- Ephesians 4:11-16 [[KJV/NIV](#)]

Meeting human need with ministries of love and compassion.

- Psalms 112:9 [[KJV/NIV](#)]
- Galatians 2:10; 6:10 [[KJV/NIV](#)]
- James 1:27 [[KJV/NIV](#)]

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the atonement, and is the privilege of all believers.

- Isaiah 53:4,5 [[KJV/NIV](#)]
- Matthew 8:16,17 [[KJV/NIV](#)]
- James 5:14-16 [[KJV/NIV](#)]

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the church.

- 1 Thessalonians 4:16,17 [[KJV/NIV](#)]
- Romans 8:23 [[KJV/NIV](#)]
- Titus 2:13 [[KJV/NIV](#)]
- 1 Corinthians 15:51,52 [[KJV/NIV](#)]

14. The Millennial Reign of Christ
